

(BOOK ONLY) The Dreidel on the Table: A Hanukkah Tradition offers a Hanukkah version of the The Elf on the Shelf: A Christmas Tradition. Jewish parents read to their children the illustrated story of a dreidel on a buddy-magic adventure (see www.dreideltable.com); their children play with a dreidel (not included); parents hide the dreidel; then the children spend each of the eight mornings of Hanukkah searching their house for the toy. When a child finds the dreidel, he becomes the hero for the day. Directed to both religious and secular Jews, as well as those familiar with The Elf on the Shelf looking to purchase Hanukkah gifts for Jewish friends, The Dreidel on the Table offers a compelling story, warm illustrations, and a brave hero. For children ages 2 to 12.
