

Ellie and Elvis (Bloomsbury Paperbacks)

A tale of friendship with a touch of monkey mischief. Ellie and Elvis are best friends. They both like bananas. They both love oranges. And they both adore dancing under the light of the moon. But one day, things go very wrong. It's rotten when a misunderstanding threatens to come between two best friends, which is exactly what happens to Ellie and Elvis. When their oranges and bananas go missing, the two elephants start to suspect each other of greedy guzzling. But who is the real culprit?
