

Baseball Guy: The Book

Baseball Guy is a rhyming story that takes you through every level of the game; from Little League to the majors, even to just being a fan. Gordy Jones also slips in many of life's lessons which are related to baseball, such as teamwork, goal setting, education, respect, family, and more. The big colorful illustrations are not only eye-catching, but help you to remember a much more innocent and carefree time. The back pages are filled with special messages from current and former greats of the game including Joe Mauer, Michael Cuddyer, and Harmon Killebrew among others, along with original photographs by Gordy Jones. As Minnesota Twin Michael Cuddyer says, I feel that Baseball Guy is not only a good read for kids, but also a great read for the fan in all of us. Gordy Jones Baseball Guy is a great little story that speaks of a child's passion for baseball as well as his desire to learn the lessons of life: Respect, humility, honesty, perseverance and servant-hood.
