

Home for a Tiger, Home for a Bear

Do you know where elephants live? Or where a koala makes its home? You'll learn about the habitats of these and many other animals as you travel around the world meeting all sorts of creatures in their natural environments - now in paperback! Rosamund Fowler's rich, woodcut-style art makes this a very distinctive book. With this easy-to-read rhyming adventure, children will learn about a wide variety of creatures and habitats. The informative endnotes on animals, spiders, and habitats are perfect for curious older readers. Children will love to search for the spider hidden on every page!
