

From God to Us: Inspiration, Canonization, Transmission, and Translation of the Bible: How We Got Our Bible

The Bible is a unique book. It is one of the oldest books in the world, and yet it is still the world's bestseller. It is a product of the ancient Eastern world, but it has molded the modern Western world. Tyrants have burned the Bible, and believers revere it. It is the most quoted, the most published, the most translated, and the most influential book in the history of humankind. Just what is it that constitutes this unusual character of the Bible? How did the Bible originate? When and how did the Bible take on its present form?
