

One morning, Milo wakes up and tells God he is going to find his best friend...throughout the day each animal that he encounters, he asks them if they will be his best friend and play with him till days end. The animals don't want to play with Milo. Fortunately, at the end of the day, Milo finds out who his best friend really is. At last here's a book that helps parents to teach their children to talk to God. Milo is a beacon for children to show them how easy it is to talk to God and the importance of having a relationship with Him.
