

# Bunny Trouble Treasury

In this charmingly illustrated anthology by a prominent author and illustrator of childrens books, a mischievous bunny learns to use his head while hes following his heart. Bunny Trouble begins with Ralphs neglect of his egg-coloring duties on the day before Easter and concludes with the development of his own special design. In More Bunny Trouble, the restless bunny discovers the importance and rewards of being a vigilant babysitter for his little sister. And in Bad, Bad Bunny Trouble, Ralph rescues family and friends from a trio of hungry foxes. A bonus fourth story, Ten Little Bunnies, features humorous counting rhymes.
