

# Business & Society: Corporate Strategy, Public Policy, and Ethics with PowerWeb

Business and Society: Corporate Strategy, Public Policy and Ethics, by Post, Lawrence and Weber was the first book to be published in the field of business and society and is the market leader! For over thirty years, Business and Society has been updated and reinvented in response to society's relationship to business. Post, Lawrence and Weber discuss the social and ethical impacts of business. Business and Society, 10e highlights why government regulation is sometimes required as well as new models of business-community collaboration. Business and Society, 10e is a book with a point of view. Post, Lawrence and Weber believe that businesses have social (as well as economic) responsibilities to society; that business and government both have important roles to play in the modern economy; and that ethics and integrity are essential to personal fulfillment and to business success.
