

Ezekiel Unmasked a Revelation of Yeshuas Love

Prior to completing a series of teachings, the author, P.D. Dalling once more sought Yeshua as she so often does for the next assignment. A few days later on a hot Saturday afternoon, a call came from a devoted Saint of God and watchman living in the State of Florida, who was unaware of the authors prayer request; this devoted follower of Yeshua Jesus shared a message received from the Lord at 2 A.M. that morning. Tell My child to teach on the book of Ezekiel, it will be tough. The author accepted the challenge but was met with many obstacles and a wrestling in spirit as to the format for something of this magnitude. Then came the answer in a dream to the author; the Lord wanted this work to be put into writing. P.D. Dalling had to rely on the leading and inner witness of Holy Spirit to begin and complete this project, as He explicitly spoke: I will teach you. Indeed this was a very difficult task that took on a whole new meaning of what is meant: to have fellowship with Holy Spirit. Because this work was commissioned by the LORD, P.D. Dalling refrains from offering any personal credentials or academic scholarship. All glory and honor goes to Abba Father, Yeshua Jesus His Son and my great teacher and friend Holy Spirit who will reward their bondservant in heaven.
