

Beginning their life together in the Colorado wilderness, a young rancher and his wife work hard, and joyfully anticipate the birth of their first child. Their many hopes and dreams for their new family are suddenly put in danger when a merciless winter storm hits. The logs in the woodpile quickly dwindle, and soon their only chance for survival is to cut down the lone remaining spruce tree, which provides warmth and shelter to a family of geese--a family not unlike their own. On Christmas Eve the couple prays for a miracle that will protect them and their newborn son. Thomas Lockers glorious paintings and Keith Strands inspiring reverie bring the Christmas spirit to life in this heartwarming story of faith and family.
