

Snotty Crocky: Carlos Patino

Snotty Crocky has a booger problem! While taking a vacation to the Congo river, boisterous local monkeys taunt poor Crocky from the safety of the trees. Despairing from the relentless teasing Crocky enlists the help of a local witch doctor who has an ingenious plan to deal with the monkey menace. A disgustingly funny story, Snotty Crocky is both hilarious and simple in its execution of a tale about standing up to bullies. A combination of read-along-verse by Papa G (Pedro The Ugliest Dog In The World) and illustrations by Carlos Patino which perfectly capture the humour of the story, Snotty Crocky is an excellent picture book for children to read along with their parents.
