

## Cake Test (Blue Bananas)

When King Frederick and Queen Gwen have triplet daughters, they're delighted. However, there's a bit of a muddle when they're born, and no one knows which one is the eldest, and therefore the heir. So when King Frederick wants to retire, he has to decide who will be Queen. Will it be Princess Hazel, Princess Apple, or Princess Cherry? Frederick had a very helpful instruction book when he first became king and he knows how important it is to use instructions and rules wisely. So he sets his daughters a test: whoever can bake a cake, following the instructions but also adding their own flourish, will rule after him. The princesses all have their individual qualities but who has the right recipe to rule?
