

There are so many things a little hand can do: like blow a kiss, say hello, or hold you tight. This is the epitome of simple, innovative novelty, perfect for little kids. A die-cut hand on the front cover can be used throughout the book to help pat the puppy or give a high five! The shaped hand has a magnet embedded inside it to keep the cover neatly closed. A KISS FOR YOU! shows the reader just how capable a small hand can be, with illustrations by the beloved Caroline Jayne Church that are friendly, warm, and irresistible.
