

Chomp!: A Chewers Guide to Gum

Everything you want to know about gum: where it comes from, how its made, its sticky history. Did you know artists around the world use gum to create art? You will see examples, and then you can make your own art by using the step-by-step directions included. You will read about how healthy gum is for you, and youll discover how to blow a bubble as well as how to get the sticky stuff out of your hair or off your clothes. Full-color illustrations, sidebars, humor, and lots of WOW! information makes this book a joy to read. Theres even a resource list for you to find out more. Robert Young, the author of this book, also wrote The Chewing Gum Book, published twenty-five years ago. It was the first book ever written for children on the topic. Chomp! is an updated and modernized version. While aimed at children aged 7-10, curious people of all ages can enjoy it.
