

## Charlie Bumpers vs. the Squeaking Skull

Charlie and Tommy have big plans for Halloween. They hope to get out of taking their little sisters around and go trick-or-treating in Alex's upscale neighborhood instead. There they'll get tons more candy, they'll be on their own, and afterwards they'll get to attend the sleepover at Alex's house. But when Charlie finds out that the entertainment at the party is to consist of the Scariest Horror Movies Ever, he is struck by panic. Charlie loves candy, he loves sleepovers with his friends, but he absolutely hates horror movies. Can Charlie face his fear of horror movies and enjoy Halloween?
