

Tomorrows Promise (Heartland #10)

When Amys father gives her a thoroughbred jumper, she decides to begin showing again. She meets Daniel at a local event and becomes interested in helping him treat his horse, Amber. When Amy meets Daniel, she is stunned by his defensive nature. She cant figure out how someone with so much love for his horse could be so cold to everyone else. But as Amy gets to know Daniel, she begins to understand him. She respects that he wont give in to the pageantry of the elite show circuit - and that he doesnt care what others say about his horse. Daniel rides Amber like its the two of them against the world. And Amy wants to do everything she can to help them conquer it.
