

Peterson Field Guide Coloring Books: Dinosaurs (Peterson Field Guide Color-In Books)

From the green Proceratops to the fearsome orangy gray Tyrannosaurus rex, coloring your own field guide is the most enjoyable way to learn about dinosaurs. Each drawing is accompanied by a brief description that educates as it entertains. Place the new color stickers next to the drawings for a visual reference while coloring. Coloring the drawings helps reinforce the color, image, and shape of each dinosaur, improving your memory and perception while offering a pleasant and easy way to learn. Fun for adults as well as children, beginning and experienced naturalists alike.
