

Malcolm X (Leading Lives)

An exploration of the life and achievements of Malcolm X. This book examines his early years, studies and interests and then assesses his professional life, its low points and their legacy. An underlying theme throughout the Leading Lives series is to look at whether an individual can change the course of history. The book contains: feature panels detailing the lives of colleagues and rivals; a timeline and maps; further reading and websites; a glossary and index.

Assassinations would claim both black leaders, first Malcolm X and then King. Martin Luther King's personal and political life, Havovi Cooper reports.
