

FAME: Justin Bieber: A Graphic Novel

FAME: Justin Bieber, written by Tara Broeckel Ooten and penciled by Claudio Avella traces the meteoric rise of the teen superstar from obscurity to a pop culture staple with legion of fans screaming his name. His story is a timeless one: just like the story of the struggling actress discovered at the counter of the Hollywood soda fountain, Bieber has risen to incredible heights after being discovered from a YouTube video posting. Its a new myth for the generation who never knew the world before the Internet.
