

## Fifteen Rabbits (Bambis Classic Animal Tales)

Burrow into this classic tale about a family of rabbits from the author of Bambi. Hops and his young rabbit friends must face all the triumphs and trials in the first year of life in the woods. Life is dangerous in the forest, especially for the fifteen young rabbits who are learning to navigate their home. While there are many wonderful things and other animals to get to know including a deer by the name of Bambi there are also dangers, and the constant threat of man. In order to thrive, the rabbits must stick together... Felix Saltens story of the lives of fifteen rabbits is brought back to life in this beautiful repackage.
