

Beach Baby

A gentle, poetic lullaby for baby, filled with memories from a perfect day playing on the beach. Castles, sand dollars, seals peering out of the waves and the beat of the ocean become sweet reminders of all the magical things that await baby tomorrow. A lyrical celebration of natural beauty and a soft, reassuring reminder for little ones being tucked into bed that fun and adventure will return with a new day. Elly MacKays paper-theater worlds are a delight to behold and infuse the story with a sense of magic and wonder. Beautiful verse from Laurie Elmquist sets a calm and serene tone. A breathtaking board book that will be treasured and make a wonderful gift.
