

Words and numbers, colors and shapes all come alive in this wonderful, whimsical new collection from Kent Salisbury, creator of the best-selling series Pop into Phonics(tm). Combining teacher-approved, kid-tested text with exuberantly animated graphics, these vibrant books will have children laughing while they learn. A visit to the Alpha Zoo lets children see the ABCs in action! Twenty-six animals frolic in playful scenes, accompanied by lively text that teaches familiar words and introduces simple phonics, too!
