

## God and Me

Featuring colorful photographs and short devotions with Scripture and prayers, this book will appeal to parents looking to introduce a relationship with God to little ones. God and Me aims to help children find out all about God: what He is like, how He cares for them, and how He wants them to live in His world. Familiar situations and everyday experiences encourage children to think about Christian values, a simple way of introducing a lifelong relationship with God. Bite-sized devotions will keep the attention of younger children. Four-color photographs will help engage children with the message in the devotional. Each day includes a topical Scripture and a prayer to help children develop their relationship with God. Meets national education standards.
