

How to Cook a Revolution: Recipes for Breast Cancer Prevention

This cookbook delves much further into the dark world of the politics surrounding cancer and the race for cure. With the rates of breast cancer increasing at a steady pace, the Breast Health and Healing Foundation is devoted to determining the causes of breast cancer and thereby developing effective preventive strategies against this disease. Dr. Kathleen T. Ruddy, a breast cancer surgeon at Clara Maass Medical Center in Belleville, New Jersey, founded the Breast Health and Healing Foundation in hopes to spread word about the global initiative for the prevention of breast cancer. This cookbook remains true to the mission of The Breast Health and Healing Foundation and provides healthy recipes filled with cancer-fighting ingredients. All proceeds from the sale of this book will be used to support the Breast Health and Healing Foundation (501c3).
