

## Franklin and the Scooter (Kids Can Read)

Franklin wants a shiny, red scooter just like his friend Rabbits, but Franklin doesn't have enough money to buy one. To raise funds, Franklin sets up a lemonade stand and a yard sale --- but still falls short. Then he discovers that Rabbit wants a bicycle. Since Franklin already owns a bicycle, the two friends arrive at the perfect solution: sharing. This Level 2 first reader contains longer stories, varied sentences, increased vocabulary, more difficult visual clues and some repetition.
