Young aspiring artists everywhere will be drawn to the selection of ocean animals included in Learn to Draw Sea Creatures, which includes a variety of popular ocean dwellers, such as the beluga whale, manatee, dolphin, sea lion, orca, and many more. This book opens with brief information for getting started, the tools and materials needed, and some sample drawing exercises to warm up. Young artists-in-training will learn to draw their favorite ocean animals by following the step-by-step instructions in this beautifully illustrated book. Each lesson begins with a basic shape, such as a square, a circle, or an oval, and progresses to a finished colored piece of artwork, making it easy for children to follow along. Along the way, engaging text provides fun and interesting facts about each animal, allowing for an educational, well-rounded drawing experience. Learn to Draw Sea Creatures is the perfect way for children to discover more about their favorite ocean animals, as well as express their artistic side.
