

Water (Espresso Ideas Box)

Join Polly, Kim and the rest of the Espresso team to find out all about water. Explore where our tap water comes from, how water makes electricity and what a monsoon is. Plus learn to paint like the Impressionists, make a cloud in a jam jar and much more! This book is part of the Espresso Ideas Box series, which have a wealth of information and ideas for exploring topics in a cross-curricular way. They are produced in association with Espresso Education, the leading digital curriculum service in the UK - used in over 10,000 primary schools.
