

## Go to School (Bugville Critters)

Plucky young Buster Bee is headed to school and hes nervous about his first day. At school, he meets his new teacher and feels special when she teaches the class all about being a bee. When it seems that Too Smart Betty has all the answers, Buster wants to be a solitary bee who lives in the country instead of a social bee. He has great adventures in the country but ends up feeling lonely with a stomachache. The Bugville Critters stories address all the major issues of growing up and are designed to appeal to the ever-growing interests of children everywhere. The wonderfully crafted stories are paired with energetic illustrations of a colorful cast of critters and playful scenes. About the Author Robert Stanek is a dad, husband and author.
