

Goal Setting: 13 Secrets of World Class Achievers

Reviews: Vic Johnsons tried and true methods will expand your vision, invigorate your imagination and set you on the path to living the life you dream.~ Jim Rohn, Americas Foremost Business Philosopher 1 chapter into the book and already I have made a dream list. I am looking forward to doing the other 12 action steps in the book. I find that when an author has you take action steps, youre no longer just reading a book, you are taking a class. A course if you will.~ Amazon reader reviewVics writing style has a way of taking timeless wisdom and putting it in words that are down-to-earth and easy to understand.~ Amazon reader reviewThis book contains no fluff. Vic Johnson brings information together from many sources and he tells it like it is. Each chapter has action steps to reinforce the ideas as you learn them.~ Amazon reader reviewDescription:Are you ready to achieve virtually anything you want, even if youve failed at every goal youve ever set?These 13 secrets are the proven formula used by world-class achievers across the ages.We live in a time where many people have lost touch with the qualities that produce extraordinary lives. Imagination, ingenuity, drive, and a no-fear, no-quitters allowed mentality often seem to be disappearing from our culture and our world.This is a book for everyone who has ever had a dream. This book will teach you how to set goals and achieve that dream, step-by-step and day-by-day. Youll discover some great news! If youve been struggling, if youve ever felt like you were going nowhere fast, youll learn that its not because theres something intrinsically wrong with you.Youll learn, instead, that it has a lot to do with ways of thinking that youve adopted in the past. This is great news because you can change the way you think, speak, and act.Success isnt the result of winning some sort of lottery. Its the result of applying the right principles with

the right action and the right mindset. Do you feel like you're stuck? Do you feel like you've been watching life pass you by? Then this book is written with you in mind. About the Author Despite being totally unknown in the personal development industry when he launched his first website in 2001, Vic Johnson has gone on to become an international expert in goal setting and host of the popular TSTN show Goals 2 Go. Evicted from his home in 1996 and his last car lost to repossession a year later, his story has become an oft-quoted source of inspiration to the more than 300,000 subscribers he serves worldwide. He is the author of the bestselling book Day by Day with James Allen and has appeared in numerous video programs with Bob Proctor, Jim Rohn, Brian Tracy, Denis Waitley and Mark Victor Hansen.*** Includes an offer for a free goal setting worksheet and video ***
