

# Grumpy Monster Takes a Walk: The Happy Day Adventures of a Grouchy Rascal

The message of the entire book is completely relevant to any child, and teaches them the importance of emotions and how their outlook on life is integral to what they feel. -Dylan Lamberti. Reader What can an adorable, but very grouchy monster teach your child about pouting, whining and acting grumpy? Do you know what makes a monster feel really grumpy? Well, they dont like it when things dont go their way. On this particular day, Mister Monster had hoped to play in the rain. But, when he awakes to find the sun shining bright in the sky, he believes his day is ruined. Later that morning, Mister Monster discovers his luck may be about to change! A few miles away, dark clouds are gathering in the sky. So, he puts on his rain boots and sets out walking in the hope of meeting up with some miserable and gloomy weather. En-route, grumpy monster makes a discovery about what it really takes to have a happy day. Spoiler Alert! It has nothing to do with the weather or getting ones own way. What Mister Monster learns will make even the grumpiest of monsters smile. This a book for anyone who has ever felt a wee-bit grumpy, had a bad day, or wanted to pout because things werent going their way.
