

Henri, Egg Artiste

Henri is a true artist who has grown tired of decorating his eggs in the same old way. Readers are led on an exploration of the art world as Henri creates beautiful works in the styles of celebrated painters of the past. Vincent van Gogh, Leonardo da Vinci, and Claude Monet are just a few of the geniuses who inspire Henri, Egg Artiste. A delightful way to introduce children to a world of masterpieces, this book has applications that extend far beyond the obvious Easter promotions. Marcus Pfister's bolder, brighter palette is sure to win this popular author/illustrator even more fans.
