

# Nate and the Horseshoe Crabs

Nate saves the day! Maybe? While out fishing one day, a puffin bird named Nate along with his friends discover thousands of struggling horseshoe crabs covering the shoreline. Nate wants to rescue each and every one of them but, Nates friends are fearful of horseshoe crabs. What will Nates friends do? Will they just close their eyes and hope they disappear? Will they overcome their fear? Simple colorful illustrations flows through a medley of bright backgrounds and the cutest little birds. This heartwarming, delightful tale speaks to the importance of teamwork, empathy & kindness.
