

Featuring candy-bright colors and foil cover lettering, Leslie McGuirk's newest tale about the charismatic little terrier named Tucker will sweeten the dreams of children everywhere. All puppies dream about Christmas. One little white dog gets especially carried away. His name is Tucker. Oh No! Tucker loves Christmas, with all the trimmings — making a snowman for Santa, marking just the right tree, getting into all the boxes of decorations — but somehow manages to burn his nose while baking cookies on Christmas Eve. When you-know-who spies that bright red nose through the window, however, Tucker makes a very special friend and takes the sleigh ride of a lifetime. Now the tuckered-out terrier is already dreaming of next year!
