

## The Giant Family Recipe Book

A recipe book created for every parent who longs to give their family tasty and nutritious food, but simply doesn't have the time. This huge collection of recipes features brilliantly simple meals that can be made swiftly - often in the same or less time than it takes to go and get takeaways. They are drawn from different cultures, with a range of herb and spice blends that are interesting to eat without being a challenge to feed to your children. How about Butter Chicken? Chinese Chicken Stir Fry? Teriyaki Chicken? Macaroni and Cheese full of sneaky vegetables. There are recipes that are fun to make with your kids - try the pizza dough recipe - or the jellies and iceblocks made with fruit juice, completely free of artificial colours, flavours and sweeteners. Whizz up a hummus, bean or tuna dip in minutes, for dipping slices of raw veges into as an after school snack. You'll be amazed how much more popular a plate full of vegetables looks to your child, with a tasty dip on the side. Learn the ten minute cake recipe you can use as a base for a dozen different creations, perfect for that last-minute bake sale reminder. Make Wholemeal Bread with no kneading. Real egg custard in less than 10 minutes using your microwave. Dozens of ideas for soups, snacks, sandwiches and fillings for baked potatoes, plus a great selection of time-and-energy-saving recipes for your slowcooker or crockpot, so you can get home from work and enjoy dinner already made for you. Put your slowcooker on at night and have Wholegrain Oat Porridge (Oatmeal) ready and waiting for you as you start your morning rush to get out of the house. With tips on planning and organising your cooking workload to save you time and effort at the end of a long work day, and using your freezer wisely as you race through all the chores and jobs of your hectic schedule, this tool will make every day more simple and calm. The
