

Children will love guzzling their garden - and its not too much work as this book will show them. Jackie French is well-known as a gardening expert from her articles in many magazines and newspapers and her tV spot on Burkes Backyard. In this book she will describe and show children how to easily and quickly set up a garden and be able to eat thing from it with little financial outlay and not too much work! they will be munching their garden in no time at all. this book will also be terrific for schools and other groups to use in teaching children all about growing edible plants. Ages 10+
