

I Hate Everyone...Starting with Me

How do I love thee? Let me count the ways. Elizabeth Barrett Browning, 1850 How do I hate thee? How much time do you have? Joan Rivers, 2012 Joan Rivers is a groundbreaking, award-winning, internationally renowned entertainment goddess. She's also opinionated especially when it comes to people she hates. Like people who think giving birth is a unique achievement. Or well-adjusted, a.k.a. boring, ex-child stars who don't even have a decent addiction. With all of her diverse experiences, it stands to reason that Joan has seen, done, said, and heard a lot of hateful things. Thank god, she took notes. Here uncensored and totally uninhibited she gives the best of her worst to First Ladies, closet cases, hypocrites, Hollywood, feminists, and overrated historical figures. And even when letting herself have it, Joan doesn't hold back in this honest, unabashedly hilarious love letter to the hater in all of us.
