

I Must Say: My Life As a Humble Comedy Legend

In this engagingly witty, wise, and heartfelt memoir, Martin Short tells the tale of how a showbiz-obsessed kid from Canada transformed himself into one of Hollywood's favorite funnymen, known to his famous peers as the comedians comedian. Martin Short takes you on a rich, hilarious, and occasionally heartbreaking ride through his life and times, from his early years in Toronto as a member of the fabled improvisational troupe Second City to the all-American comic big time of Saturday Night Live and memorable roles in movies such as *Three Amigos!* and *Father of the Bride*. He reveals how he created his most indelible comedic characters, among them the manic man-child Ed Grimley, the slimy corporate lawyer Nathan Thurm, and the bizarrely insensitive interviewer Jiminy Glick. Throughout, Short freely shares the spotlight with friends, colleagues, and collaborators, including Steve Martin, Tom Hanks, Gilda Radner, Mel Brooks, Nora Ephron, Eugene Levy, Catherine O'Hara, Paul Shaffer, and David Letterman. But there is another side to Short's life that he has long kept private. He lost his eldest brother and both of his parents by the time he turned twenty, and, more recently, he lost his wife of thirty years to cancer. In *I Must Say*, Short talks for the first time about the pain that these losses inflicted and the upbeat life philosophy that has kept him resilient and carried him through. In the grand tradition of comedy legends, Martin Short offers a show business memoir densely populated with boldface names and rife with retellable tales: a hugely entertaining yet surprisingly moving self-portrait that will keep you laughing and crying from the first page to the last.
