

The Secret Chicken Club: Handprint Books

When Debbie the cow learns of the Secret Chicken Club, she is inspired to start a Secret Cow Club. Of course, she is the only cow on the farm, and even Debbie knows you cannot have a club with only one member. Could she join the chickens club? Heavens no, clucks Blanche, the club president, its only for chickens. And so a wacky series of events ensues as one by one the animals on the farm the goat, the sheep, the duck join the Secret Chicken Club or do they? George Shannons gentle tongue-in-cheek humor and Deborah Zemkes delightfully comic pictures once again combine to create a club all young readers will clamor to join.
