

There is HOPE for EVERY CHILD, regardless of how dark a circumstance may seem. This book was written to bring hope and encouragement into the lives of children and families. The fifty-two short chapters included are child-friendly replications of stories found in, "In Darkness, a Light Still Shines," by Barry Feaker. Each one is written in a fun and heartwarming way sharing the clear message that every child is unique, loved, and never alone. Whether you are part of a family who is in a position to help others or you are in need of help yourself, this book has something in it for you. As your family gathers together to read, prepare to embark on a life journey that will forever assure you that... even in darkness, a light still shines! Proceeds from the sale of this book go to support the Topeka Rescue Mission Children's Palace, a daytime care facility for homeless children aged zero to five.
