

A Turtle Called Friendly

Ming has come from China to live with his father and his grandmother. He misses his home in China and because of his difficulty with English, he also has a hard time making new friends. One day, Ming finds a turtle which he names Friendly. When Ming takes Friendly to school the next day, his new pet makes quite a splash, and wins Ming a new friend.

Green sea turtle facts for kids National Geographic Kids Hence amber lights, which can also be tolerated by humans, are sometimes called turtle-friendly.
