It all began when Mumzy and Popzy placed me in that chicken coop of a carrier from Saks Fifth Avenue and off we went...once again. Little did I know as to what was to befall my poor, furry person.But alas,...how was I to suspect as to what awaited me on the other side of the ocean?...To say that it was to be an adventure...was most assuredly an understatement.Humph!...Phfff!...What is a cat to do?...For at first, unbeknownst to me, I believed that Napoleon was a most delicious pastry...Boy!...Was I ever wrong!... Phfff! Ko-Ko the Cat muttered in a miffed fashion, as he stuck a single whisker in the air in an aristocratic manner, and crossed his forepaws in a regal way. And thus the reader steps into the mind of Ko-Ko the Cat --- an informative and opinionated feline. His views of the philosophies, manners and etiquettes of life are quite enchanting: Filled with laughter and joy. Curious as a cat can be, he teaches and amuses the reader as he experiences history and encounters historical figures while he travels through the world with his human parents.
