

Patrick's Pals #4: Stuffin It!

Theyre Not Playin... Patrick Ewing and his best friend, Ronnie Miller, cant wait for the Thanksgiving play at school--theyre the stars of the show! Theres only one problem: their parents are coming down hard about schoolwork. If Patrick and Ronnie dont bring up their grades, they can forget about stepping on stage or on the court. But between rehearsals and practice with their basketball team, the Bulldogs, Patrick and Ronnie dont have time to study. When Ronnie plans to cheat on a test, Patrick doesnt know what to do! He knows that cheating is never the answer...or is it?
