

KISS on Tour: In The Clubs (1973-1974)

KISS on Tour is a KissFAQ title that had been in print in physical format for some years. The most recent edition covers the years 1998–2014 (which included several appendices of earlier tours). However, for much of the past two decades an independent work covering the full KISS touring history has been under development for a KISS Live Focus, as part of the touring section for the KissFAQ, and later KISSMONSTER, websites. This extract, from what currently weighs in at over 700 pages in U.S. letter format (8.50 x 11.00), is a more economically viable serialized method of delivering an updatable digital only release focused solely on KISS 1973-74 performances as they attempted to establish themselves and escape from the clubs.

Kisstory (1973-1974) - KISS video - Fanpop The Sabotage Tour, by British heavy metal band Black Sabbath, began on and ended on 13 January 1976. Kiss supported at a handful of dates on KISS Tour 1974 - Nothin To Lose: The Making of Kiss 1972-1975 by Ken Sharp The Kiss Tour was Kiss first album support tour. Sometimes known as the First Tour, it also encompasses several shows before and after the official dates.
