

Leons Song

We all have a special gift! Leon is an old frog. In truth, he is not much to look at and he can be a little timid. But Leon is content with his quiet life on the pond. Other frogs are more handsome and can swim faster and leap higher. Leon is all right with that; he loves to watch the others and admire their talents. But when Leon hears Romeo, his heart aches - for Romeo is the greatest singer on the pond. Leons humble croak is nothing like Romeos rich tones. More than anything, Leon wishes he could sing. When Romeo opens his mouth, all the pond dwellers are spellbound. And although it hurts him to know that he will never match Romeos talent, Leon is inspired by the music to dream of a time when he too might make a difference. Leon isnt going to have to wait very long. Something is about to happen that will threaten the pond dwellers and their way of life forever. And to protect them all, Leon will find a talent that no one knew he possessed. A gentle and moving story about love and loyalty, Leons Song will inspire readers to find the qualities that make them special and, more importantly, to appreciate others for their unique talents. Short listed for the Blue Spruce Award 2005-2006 Chocolate Lily Award nominee Will make you want to croak out loud!
