

## Koob: The Backwards Book

KOOB is not your average book. Its a backwards book! This quirky activity book that plays off the style of the hugely successful Wreck This Journal will challenge you to think outside of the box (and the page!) and try out a different perspective by reading the book upside down and back to front. Featuring wacky instructions on every page, from Decode these secret instructions with a mirror and Write on this page with your toes, to Draw an animal, cut it out, and attach a string to take it for a walk, KOOB is guaranteed to bring hours of fun and lots of laughs. With a unique format, including pages that are cut on a diagonal slant and original, eye-grabbing 2-color line illustrations, KOOB is a new spin on the traditional activity book that will appeal to kids (and adults!) of all ages.
