

Led Zeppelin: Legendary Rock Band: An Unauthorized Rockography (Rebels of Rock (Library))

Readers won't want to put this book down as it traces the ups and downs of this enduringly popular classic rock band. Jimmy Page, Robert Plant, John Bonham, and John Paul Jones formed in Britain as The New Yardbirds in the late 1960s and soon changed their name to Led Zeppelin. With their bluesy rock n roll songs and rousing lyrics, they became one of the greatest rock bands of all time.
