

How a Seed Grows (Lets-Read-and-Find-Out Science 1)

How does a tiny acorn grow into an enormous oak tree? With beautiful and accurate watercolor illustrations from Loretta Krupinski, this book by Helene Jordan traces the process of how a little seed grows into the plants and trees that surround us. This is a Stage 1 Lets-Read-and-Find-Out, which means the book explains simple science concepts for preschoolers and kindergarteners. Lets-Read-And-Find-Out is the winner of the American Association for the Advancement of Science/Subaru Science Books & Films Prize for Outstanding Science Series. Supports the Common Core Learning Standards and Next Generation Science Standards.
