

Lost. Found.

On a wintry day, a bear loses his soft red scarf. The wind carries it *whoosh* to a pair of raccoons who use it to play tug-o-war. When they run off, a beaver dons the scarf as the perfect winter hat...until it gets tangled on a tree branch. The scarf is lost and found by a series of animals, including a fox and a couple of rascally squirrels, who use it as everything from a swing to a trampoline. When all the animals lay claim to the scarf at once, calamity ensues that can only be fixed by a bear, a little patience, and friendship, in this nearly wordless, clever picture book.
