

Tobys Big Adventure

Tobias Waterworthy Toad III is a handsome young toad from a well-to-do family in the town of Waterton. He dresses in the very finest of clothes and wears a gold watch in his pocket. He is entirely too vain about his looks. Yet, even though he has the best of everything, he is still not happy and yearns for a great adventure. He has never left Waterton and wants to see what is beyond the Big Pond. One day he gets his wish and his life is changed forever. And so the great adventure begins!
