

Modern World Religions: Buddhism Teacher Resource Pack

Produced specifically to answer QCA concerns over attainment and assessment in RE at Key Stage 3, Modern World Religions is a series that balances learning about religions with learning from religions. It comprises differentiated Student Books, Teachers Resource Packs and CD-ROMs, on the six major world faiths. Clearly-structured spreads introduce both learning about objectives and learning from objectives, ensuring that students achieve the right balance. Specifically targeted tasks help students meet the required standards. Each topic includes suggestions for assessment to help gauge students progress accurately. Foundation and Core edition Student Books have identical pagination, so they can be used together in the classroom to support students of all abilities. The Teachers Resource Packs provide detailed teaching notes on a topic-by-topic basis, as well as giving clear guidance to specialists and non-specialists alike on key concepts and expected learning outcomes; plus differentiated homework and activity sheets. CD-ROMs enable teachers to integrate ICT, and contain additional activities, together with customisable worksheets for greater flexibility. The evaluation pack contains the Core and Foundation Student Books, the Teachers Resource Pack and the CD-ROM, at a 20 per cent discount price.
